of limits

WHAT
ACC Lectures is a thematic lecture series, **curated by a team of DASP PhD Students**, with a target audience encompassing students from all programs of the Architecture College, as well as PhD students, researchers, professors, and professionals.

The central theme for the ACC Lectures 2024 is encapsulated in the compelling phrase, **"Limits of architecture. Architecture of limits."** The mission is to transcend the conventional limits of architectural discourse. We aim to delve into the multifaceted concept of limits, transcending the physical realm into the virtual, social, disciplinary, technological, and philosophical domains.

The *limit* will be explored not merely as a physical constraint but also as an immaterial construct, encompassing time and perception.

WHY
The participation **in presence** to at least **80% of the conference cycle (9 lectures)** and the completion of some tasks during the conferences will give you the possibility to get **3 CFU** at the end of the course.

To get 3 CFU at the end of the cycle you need to **pre-register to the conference cycle** by filling out this form.

WHEN AND WHERE
For those who are interested in the 3 CFU: the conferences will be held in **Lingotto**, mostly **on Thursday at lunch-time** , and the physical attendance will be registered starting from Thursday 7th March.

The Lecture Series is **open to everyone**, for those who are not interested in the 3 CFU: you have the possibility to **follow the conferences live streaming** on the ACC Lectures YouTube channel https://www.youtube.com/@ACCLecturesPoliTo/videos

HOW
First of all you have to register on the online form https://forms.gle/v4MMDhWbtRfbWnxMA

You will receive further information via email once the registration period is closed.

DEADLINE
The deadline to fill out the form is **14/03/2023 at 12:00**.

MORE INFO
On Monday, March 4th, from 1:00 to 2:00 PM, the inaugural lecture will take place at the following virtual meeting: https://didattica.polito.it/VClass/ACCLectures2024

During this event, the program, guest speakers, attendance methods, and accreditation details will be presented.

All information about the conference cycle **is constantly updated on** the DASP website.

We look forward to seeing you!
